

ANTI-BULLYING POLICY

2025/26

Potter Street Academy
Part of the Passmores Co-operative Learning Community

PCLC Position Statement

All PCLC schools have an approach that is based on the following key principles:

- Our unconditional positive regard ensures that every young person is highly valued and expected to achieve their potential;
- every young person has the right to be successful and has ability to achieve, no matter what their socio-economic background;
- there is no limit to achievement – intelligence can be developed;
- each student must know what to do in order to improve and how to do it, high expectations on their own are not enough;
- consistency of experience is fundamental; each school is a team and consistency makes us greater than the sum of our parts;
- employment opportunities in PCLC schools should allow all colleagues to inspire a love for learning; not simply process and record what we find.

By ensuring all of actions and decisions adhere to these principles our community members:

- are highly valued and expected to achieve their full potential, no matter what their socio-economic background;
- benefit from an inclusive ethos, excellent teaching and a broad and balanced curriculum underpinned by strong leadership, in a local school;
- are supported and encouraged to lead healthy and active lives making sensible choices, whilst respecting the views and attitudes of others.

Potter Street Academy Anti-Bullying Policy

This policy is based on the DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also takes into account the DfE statutory guidance “Keeping Children Safe in Education”. The school has read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

1. Policy objectives:

- This policy outlines what Potter Street Academy will do to prevent and tackle all forms of bullying.
- The policy has been adopted with the involvement of the whole school community.
- Potter Street Academy is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2. Links with other school policies and practices

- This policy links with a number of other school policies, practices and action plans including:
 - Behaviour and management policy
 - Complaints policy
 - Child protection policy
 - Confidentiality policy
 - E-Safety and Acceptable use policies (AUP)
 - Curriculum policies, such as: PSHE, citizenship and computing

3. Links to legislation

- There are a number of pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):
 - The Education and Inspection Act 2006, 2011
 - The Equality Act 2010
 - The Children Act 1989
 - Protection from Harassment Act 1997
 - The Malicious Communications Act 1986
 - Public Order Act 1986

4. Responsibilities

- It is the responsibility of:
 - The Head of School to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
 - School Governors to take a lead role in monitoring and reviewing this policy.
 - All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
 - Parents/carers to support their children and work in partnership with the school.
 - Pupils to abide by this policy.

5. Definition of bullying

- Bullying is “behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying, July 2017). Potter Street community have described bullying as ‘hurting someone again and again by unkind words or actions’.
- Bullying can include: name calling, taunting, mocking, making offensive comments, kicking; hitting; taking belongings; producing offensive graffiti; gossiping, excluding people from groups and spreading hurtful and untruthful rumours.
This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying can be a form of child on child abuse and can be emotionally abusive; it can cause severe and adverse effects on children’s emotional development.
- Other behaviours may also occur which cause harm (sometimes unintentionally) to individuals without constituting bullying. We recognise the importance of developing clarity around this distinction to ensure that all incidents are resolved appropriately and effectively. Examples of this behaviour include:
 - Harm caused accidentally;
 - Minor disputes;
 - Occasional friendship difficulties;
 - Occasional loss of temper/angry responses to an incident;
 - Teasing/making jokes where there is no intention to upset another individual.

These incidents will be resolved using a restorative approach where all parties involved are able to discuss the incident in order to reach an agreement which is acceptable to all individuals and which enables them to accept responsibility for their own actions and consider how to avoid the same situation in future.

6. Forms of bullying covered by this policy
